PRICE LIST, SEASON 1924

Hardy, Northern-Grown Plants for Northern Gardens

FOR DESCRIPTIONS AND ILLUSTRATIONS OF STOCK SEE OUR CATALOGUE
"CREATING YOUR LANDSCAPE"

BUSINESS TERMS (*Read Before Ordering*)

Order Early. Since in our section, practically an entire year's nursery business must be handled during six weeks in the spring, congestion in our Order and Shipping Department is at that time very heavy. To enable us to give the best attention to your orders, we ask that you co-operate by ordering early.

Prices. As listed are F. O. B. St. Paul. NO CHARGE FOR PACKING. Twin City orders for \$2.00 or more delivered free.

Shipping Instructions. Please advise when ordering if you want goods shipped by express or freight, giving best route for quick delivery. All goods are at purchaser's risk after they are delivered to the forwarding company from whom we hold a receipt for the shipment in good condition. Claims for damage while in transit must be made to the transportation company who is directly responsible.

Liberal Replacement Offer. We will agree to replace at one-half of the current "each" price, any nursery stock purchased from us at catalog rates that fails to grow the first season after being properly planted and cared for. This offer is made with the understanding that the account be promptly paid in full when due. Any labor involved in planting such replace orders is to be charged in full to the customer.

H. & O. LANDSCAPE SERVICE

Ask our "*Landscape Service Department*" how you can make your own home grounds more attractive. There is a practical solution for every planting problem. Our experienced men will gladly offer helpful suggestions to aid you in your yard improvements.
